NETAJI SUBHASH CHANDRA BOSE
INSTITUTE OF HIGHER LEARNING (NSCBIHL)

TOWARDS EXCELLENCE

Sayantika Mistry of Andaman Law College sharing her journey to a village in Leh–Ladakh with Honorable Prime Minister Shri Narendra Modi placed ALC at its pinnacle. It made headlines in the media and drew the attention of the people towards the A & N Islands. In his virtual interaction, the Honorable PM applauded our student many a time during this interaction. Sayantika received an invitation from the president of India to join the Aug. 15 celebs. It is ALC's privilege. Our students, Ms. Tanzeela Arif and Mr. Promit Sarkar, also visited Leh-Ladakh under the Viksit Vibrant Village flagship program of My Bharat.

In fact, it was nothing short of an adventurous trip for the students, and they returned safe from the highest altitude of the Ladakh Mountains to the beaches of Andaman. Each one of us is on cloud nine.

A visit by distinguished guests—three national law university vice chancellors—to our college is yet another event of significance. Prof. Shanta Kumar, Vice Chancellor, Gujarat National Law University; Prof. S. Surya Prakash, Vice Chancellor, National Law Institute University, Bhopal; and Prof. D. Surya Prakasa Rao, Vice Chancellor, Damodaram Sanjeevaiah National Law University, Visakhapatnam, Andhra Pradesh, visited our campus and blessed our students with their words of wisdom. VC, NLIU, Bhopal, inaugurated our counseling session for admissions into the 2026-2027 session, and VC, DSNLU, Vizag, issued provisional admission letters to the successful candidates. Prof. Surya Prakasa Rao, who is also the Chairman of the Board of Studies in Law of Netaji Subhash Chandra Bose Institute of Higher Learning, declared the commencement of the academic session in the presence of the Director of School and Higher Education, Mr. Aditya Sangotra.

The Consortium of National Law Schools held its Executive Council and General Body meeting here in the city recently, in which a galaxy of vice chancellors participated. By attending this meeting, taking it as an opportunity, ALC was able to establish its presence among many NLUs. Hon'ble VCs of NLU, Kerala; NLU, Gujarat; and NLU, Bhopal, accepted in principle to have an MoU with ALC for academic collaboration. ALC has one such MoU with DSNLU, Visakhapatnam, as a mentor presently. This arrangement is sure to accelerate academics and bring exposure for our students to leading law schools of the country.

ALC's journey as a constituent college of Netaji Subhash Chandra Bose Institute of Higher Learning (NSCBIHL) started on a positive note, with an updated syllabus and curriculum, and it is a long way to go towards excellence.
